

SMARTHOMEWORK PARENT QUICK GUIDE

For a video of how to do this, please use the following YouTube website address (or simply search 'smarthomework for parents' in YouTube): <https://www.youtube.com/watch?v=Nvr53ViXyO0>

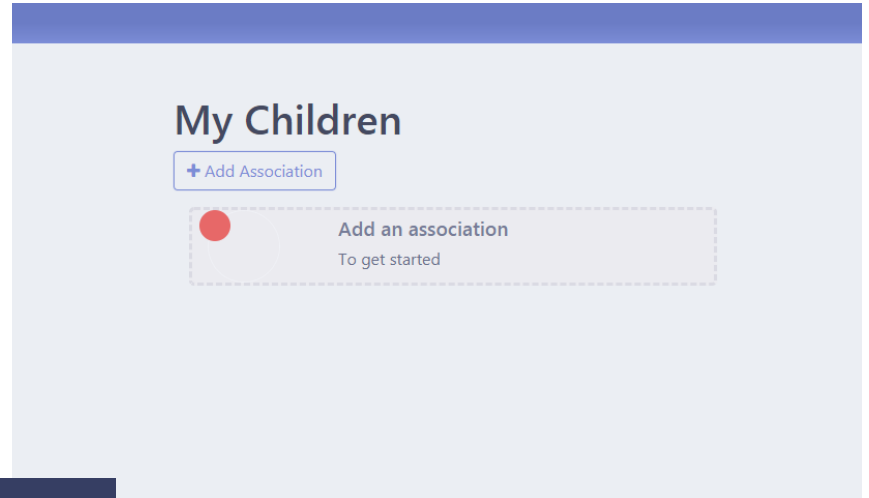

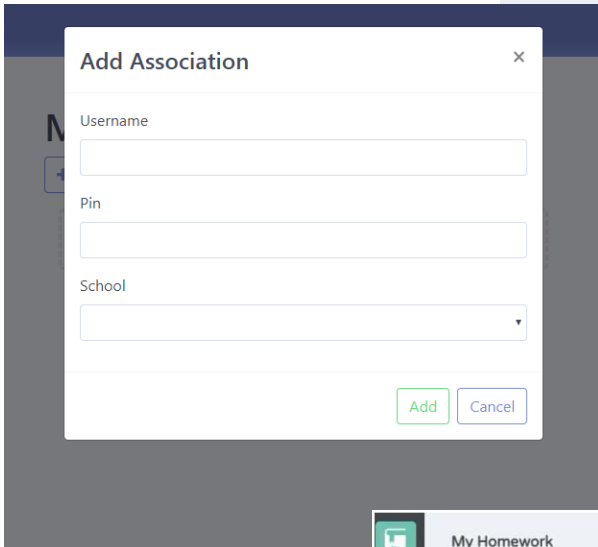

You can access smarthomework by going to the website address <https://parents.realsmart.co.uk/smartparent/login> or by simply following the links on the website as below.

Once you have arrived at the smarthomework website, please click to register using the link indicated below.

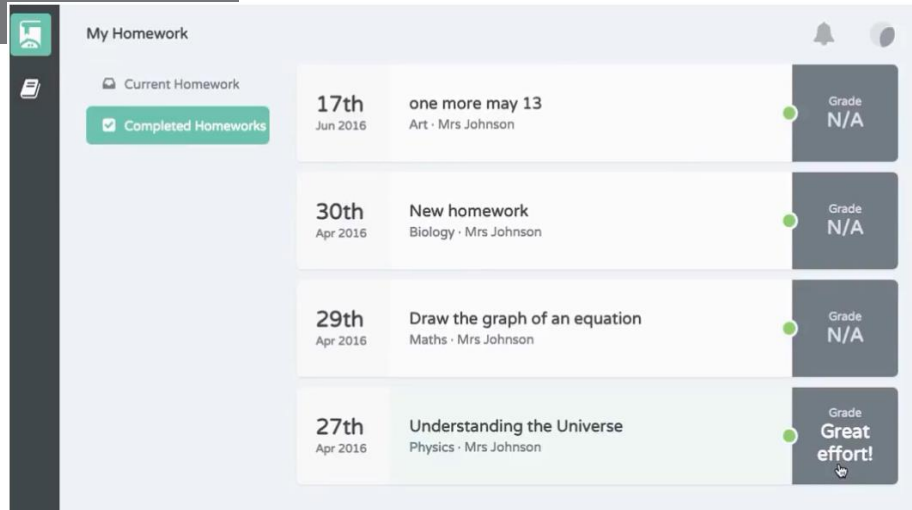

Once you have registered a username and password (using letters and numbers and at least one capital letter) with contact details, you will be taken to this screen where you will be able to 'Add Association'.

Here you will be required to add your child's username, pin and school and this will take you to their IL information.

Once you have successfully logged in, you should see a page similar to this below, where you can click and find all relevant information about your child's independent learning.
